*Susan with her husband, George*

IN LOVING MEMORY

# Susan E. Warner

**Fourth generation · Passed May 17, 2025**

Susan was a fourth-generation member of the Wade's Dairy family and the heart of it. Alongside her husband George, who currently serves as our Director of Operations, she carried on the family business and the values it was built on.

Together, Susan and George raised Lindsay, our President, and Tori, our Director of Customer Service, the fifth generation now leading Wade's Dairy forward. Her warmth, her care for people and her belief in doing things the right way live on in every delivery we make.
